ISINKWA SETHEKU POTJIE OUTREACH, DURBAN CBD - PAT POTGIETER

Thanks to Isinkwa Setheku and their faithful volunteers Potjie Outreach has become a welcome tradition for the disadvantaged folk in Durban's CBD. Six times a year at a venue on South Beach. Durban, everyone receives a hot meal cooked and served by caring volunteers. We asked Isinkwa Setheku's Director, Pat Potgieter, how many people get a meal and he said he never counts because it wasn't about the numbers, but about reaching the people and giving them hope.

Thank you Pat for your many faithful years of caring for the downtrodden. May you enjoy your well deserved retirement.
