Important Information

Feel free to wear casual clothes to worship on Sunday so you don't have to change clothes before leaving for camp.

It rains . . . a lot! Bring an extra pair of shoes that you don't mind getting muddy.

It also gets cold at night, so pack accordingly (i.e. sweatshirt). If you do not have a heavy sleeping bag, bring an extra blanket.

Please send money for 1 fast food meal.

Commitment to Christian Character Covenant

As a representative of Taylor Street Church of Christ and of our Lord, I commit to...

- Following the instructions of all my leaders
- Being kind to my fellow campers
- Participating in all activities including sports, classes, and singing
- Being respectful of other people and the environment
- Looking for opportunities to be a shining light to others
- Refusing to participate in conversations or activities that hurt or discourage others (I will not make fun of people)
- Cleaning up after myself and others
- Being helpful even when it's not my job
- Showing good sportsmanship during activities
- Not acting like a crazy monkey in the van
- Using this week to honor and glorify God

Failure to maintain this commitment will result in disciplinary action including conversations, extra chores, or possibly removal from the camp (parent will be asked to come pick up their child).
