

Winterfest

January 18th-20th, 2019

[\$25 Deposit: Due November 14th]

[Participation Requirement & Service Requirement] [Arlington, TX]

There are few events in youth ministry that I encourage as much as Winterfest. When you attend a Winterfest session you encounter God's truth in a relevant, passionate and when appropriate, FUN presentation style. In addition to the event itself, the Winterfest experience would not be complete without all of the fun in the van and hotel. This is a great bonding experience. Everyone talks about the value of good memories. This is a place to create those memories. Ask any past attendee about the Polar Bear Club!

A few things you should know: 1) There is a participation requirement to attend Winterfest. We want this to be a continuation and growth of current relationships. Students must be in attendance 75% of the time at 1 weekly youth event (Wednesday Evening Class, Sunday Morning Class, or Youth LG) and at least 50% of the time at a second weekly meeting. I will begin keeping attendance for this requirement. 2) There is a reading requirement to attend. Each student must complete the Zondervan 90 Day Reading Plan and write a 1 page essay detailing what they learned. 3) We will leave Hobbs on Friday Morning, January 14th. This does mean that we will be missing one day of school, so make plans now. 4) We can save a little money by planning early. Your deposit of \$25 is due on November 14th. The total cost is \$75. The balance and reading requirement is due on January 13th.

PS: I beg, implore, and encourage you to study the Bible as a family.
