# KidMin News

## AWANA

We have 175 children registered for Awana this year! God is SO good and working through Our Redeemer's to reach these kids with the Gospel message. Thank you to the many adults and teens that have stepped up and joined the "KidMin Crew." If you are interested in serving, please contact Mandi Iverson at any time!

**There will be no Awana October 17<sup>th</sup>** as many leaders will be gone for the school break. Please follow us on Facebook or download the Remind App to get the most up to date information!

## SUNDAY SCHOOL

We are learning the Bible story from the very beginning, as we have started a new 3-year story cycle with the Gospel Project. We have already covered Creation through the Flood and we will be covering the Tower of Babel, the suffering of Job, the covenant with Abraham, and the story of Abraham & Isaac this month! Your kids are so full of enthusiasm each Sunday and they bring fantastic questions and discussion.

### Trunk-or-Treat October 31, 2018 6-7pm

*No regular Awana this evening, come dressed in your best costume!*

*Popcorn & Hot Chocolate will be served, there will not be supper this evening.*

## JOY CLUB

We are having so much fun learning about our Creation each Sunday! This is such a great time for children ages 3-5 to get their "wiggles" out and hear and experience the Bible story that we are learning about each week. Please note that Joy Club is not staffed until 10:40 am, so please keep your children with you until that time.

**We have introduced a Prayer Board in the upstairs Children's Ministry Room. Children are encouraged to bring in prayer requests to leave on the board at any time. A member of KidMin will pray over these each week and children are also encouraged to pick out a prayer to pray over if they would like also.**

## CHILDREN'S CHURCH

Beginning October 7<sup>th</sup>, we ask families to keep their K-3<sup>rd</sup> grade children with them during the beginning of the worship service. They will be dismissed while the offering is being taken to a KidMin Crew member waiting for them in the back of the sanctuary. They will be escorted to the Children's Ministry room upstairs for Children's Church. Parents are asked to check their children out at the end of service.
