OVERNIGHT STAY

We understand that some parents or students may prefer not to stay overnight in a host home. Please indicate this when registering and have a parent contact us at students@fellowshipjoplin.org prior to the event to make the necessary arrangements.

PARTIAL ATTENDANCE

We understand that some students may not be able to attend the entire event. If a student is unable to attend the full event, a parent must contact us at students@fellowshipjoplin.org to make the necessary arrangements.
