FAQ'S

Where Will Students Stay?

Students will spend Friday night at host homes divided by grade and gender. Host home families are trusted member of Fellowship Baptist Church. If you would like more information about host homes, contact Ed Willoughby at ed@fellowshipjoplin.org.

Do We Have to Stay Overnight?

We understand parents or students may not wish to stay overnight at the host homes for a variety of reasons. Please indicate this when registering and contact Ed Willoughby at ed@fellowshipjoplin.org prior to the event to make necessary arrangements.

What If We Can't Attend the Entire Event?

We understand students might not be able to attend the entire event. If a student is unable to attend the entire event, a parent can contact Ed Willoughby at ed@fellowshipjoplin.org to inquire about making necessary arrangements. However, all students will pay the full amount, regardless of the extent of participation.

Will We Need Any Extra Cash?

All expenses are covered in the cost of the event; however, there may be opportunities to purchase additional drinks or snacks at some of the events.
