We welcomed **Leticia Page** who is interested in Sacred Space and in perhaps collaborating with **Mike** to offer some vocal/chanting for the meditation. Letitia is also entering a certification program for healing breathwork which could be integrated into the Sacred Space format.

  - **Joe Yun** will discuss these new gatherings with Worship Ministry next week
  - **Elizabeth** will reserve the Sanctuary and ask Emma about contacting the 2nd Friday ArtAbout manager re: publicity
  - **Brenda Mohr** is available to provide singing bowls at the March Friday Sacred Space.

Grant: **Elizabeth** is in year 2 of the 3-year grant with the Presbytery. She will follow up with **Maria Mar** and *Pastor Wes* as the funding for year 3, which would begin 9/1/26 may be more optimistic than previously thought.

### **Continued reflections on mental models:**

People/Relationships approach

Business approach

Other ways to look at?

**Consider all who interact with DCC to be DCC Community Members and differentiate vested DCC congregation as DCC Congregation Members?**

Aim to have pastor participate in outreach to partners?

Aim to have church within community center not be religious-led?

**Main point: Tell the Story about all of the Good things that are Happening**

**Moment for Mission, Stories to DCC e-news, website**
