

## **Advocacy Postcard Writing**

**Suggested Scripts for June 21, 2026**

### **Stop Migrant Abuse in Detention Centers (to Schiff, Padilla, Thompson)**

I'm writing to express my deep concern about reports of mistreatment, neglect, and dangerous conditions at ICE detention facilities across the country. I urge you to put a stop to these abuses by:

#### **Options:**

- conducting public oversight hearings and investigations into conditions at ICE facilities and the violent abuse of detainees, (and)
- calling for the closure of facilities where credible reports of abuse, neglect, or unsafe conditions have been documented, such as Delaney Hall and Dilley, (and)
- opposing the use of private for-profit detention centers that prioritize profits over human welfare, (and)
- demanding the release of children, pregnant detainees, elderly individuals, and other medically vulnerable people from detention.

Thank you for your consideration.

### **Support the No Fakes Act of 2026 ( to Schiff, Padilla, Thompson)**

I writing to ask you to support H.R. 8915, the NO FAKES Act, to protect Americans from the unauthorized use of AI-generated replicas. As deepfake technology becomes more powerful and widespread, Congress should establish clear federal protections against impersonation and abuse.

Thank you for your consideration.

### **Oppose the USPS Rule Change Threatening Mail Voting (Gov. Newsom)**

I am writing to urge Governor Newsom to protect our state's control over elections and vote by mail. The recent proposed USPS rule would allow the federal government to block eligible voters from receiving and casting their ballots and must not take effect.

Thank you for your time and consideration.
