**Protect the Right to Vote and Fair Representation**

*(to Schiff, Padilla, Thompson)*

I am very troubled to see that the Supreme Court has gutted the Voting Rights Act and is allowing states to deny minority populations fair representation. Please speak out against this clearly political attack on our democracy and protect our constitutional rights, by...

- supporting the John Lewis Voting Rights Advancement Act, (and)
- reintroducing the Freedom to Vote Act, (and)
- supporting a federal ban on partisan gerrymandering to stop robbing voters of their right to choose their representatives, (and)
- supporting measures to reform the Supreme Court, such as term limits, court expansion, and limits on the use of shadow docket rulings.

Thank you for your time and consideration.

**Support Gaza**

*(to Schiff, Padilla, Thompson)*

I am distressed to see Israel's continued military attacks in both Gaza and Lebanon, and our continued military support of Israel's war on the Palestinian people. Please...

(Choose from below)

- support resolutions to block the sale of arms to Israel, (and)
- reject any occupation of Gaza by Israeli forces, (and)
- support the rebuilding of Gaza for the Palestinian people, not luxury developments for the benefit of Trump and his oligarch allies, (and)
- oppose any new military financing partnership with Israel, (and)
- support a resolution that calls for the U.S. recognition of a Palestinian state to push for a two-state solution between Israel and Palestine.

Thank you for your time and consideration.

**Oppose Attacks on LGBTQ+ Students**

*(to Schiff, Padilla)*

Please oppose H.R. 2616, the PROTECT Kids Act, and H.R. 2617, the Say No to Indoctrination Act. These bills will endanger vulnerable LGBTQ+ students and unfairly punish schools and parents for protecting these students' privacy and safety.

Thank you for your time and consideration.
