Do not take the curve, but turn right onto Branstetter Road (You will see a large brown sign with signs for Twelve Stones, Walnut Hills Retreat and several other camps telling you to turn right). ***If you take the sharp curve left and go over a set of RR tracks you have just missed your turn.***

Stay straight and go over the Rail Road Tracks and head toward North Shore, but DO NOT turn left onto North Shore – continue straight. (Follow the signs to Walnut Hills Retreat and Camp Gallahue).

Wisdom Cabin & TS Office

You will pass Bear Creek Church on your left; continue up the hill to the first driveway on the left. Turn left onto that first driveway and you will immediately see the driveway split into a Y and two driveways to choose from. Stay to the right. Follow the driveway to the parking area near the garage. To proceed to the Wisdom cabin, walk to the left of the garage and follow the sidewalk to the front door. To get to our office walk down the steps on the right side of the garage.

Grace Cabin:

You will pass Bear Creek Church on your left, continue up the hill and in approximately ½ mile you will see a TS sign pointing to the right (that is the Hope Cabin). Continue going straight up the hill and just as the gravel road about to level out you will see a driveway on your left. Turn left (it is more like a U turn into the driveway). You will know you are in the right place if you see a circle driveway in front of you and a swimming pool to your left.

Truth Cabin:

You will pass Bear Creek Church on your left, continue up the hill and in approximately ½ mile and you will see TS sign pointing to the right (that is the Hope Cabin). As you pass the Hope cabin sign look to your left for a small brown cabin right next to the road. Just in front of that cabin, you can make a sharp, almost U turn into a small driveway. When you park your car the cabin is to your right.

Hope Cabin:

You will pass Bear Creek Church on your left; continue up the hill and in approximately ½ mile you will see a sign for Hope Cabin. It is the first driveway on the right as you go up the hill.
