

Of all the reasons people mention for not reading the Bible, “discouragement” ranks highest. The Bible’s length alone seems tough to tackle. It’s like a giant library than a book, that includes 66 different books, by several dozen authors. Little wonder people get confused and discouraged. But, be encouraged, because this is not simply any old library book you can find on a shelf. The Bible is the infallible Word of God, used to guide and inspire us as we go through the journey of life.

This Reading Plan helps break the Bible into more manageable portions for anyone who may seem overwhelmed by its length. These two-week reading courses take you quickly into passages every Christian should know. Of the 1189 Bible chapters, why begin with these? First, they are frequently quoted or referred to elsewhere. Second, they are relatively easy to read and understand. Ask for the Holy Spirit to guide you as you read, so you can see the true meaning of Scripture. So, you can see what God desires for His people to see and understand! Enjoy!
