

Welcome to our SOMA Youth's Year- Long consent Form!

What is it?

This form will serve as a record of your student's health/emergency information for the whole year, so that you don't have to write down the same information every time you sign a consent!

Does this mean that my student can go to whatever event they want without getting my consent?

No, for each event that we hold we will give out a specific parental consent with information about the event and any cost attached. The only difference is that you will check off a box saying that nothing has changed with their health/emergency information instead of filling out all that information any time.

What do I do if their information HAS changed?

If the information has changed, we'll give you another medical release to fill in, and will update our medical information for your student!

YEAR- LONG CONSENT/MEDICAL FORM 2017-2018

PARENTAL CONSENT FOR MEDICAL RELEASE

I/we grant permission for (student's name) _____'s health/emergency information to be kept on file with Don Valley Bible Chapel to be referenced on off-site excursions with the youth group. I recognize that I must also give in a supplementary form giving my specific consent for each individual event my child wishes to attend.
