Good News (The Worldwide Edition)

- ♥ Costa Rica is running almost entirely on renewable energy sources.
- ♥ The *OceanCleanup's* system has already collected nearly 500,000kg of trash and also intercepted plastics in rivers before they reach the ocean.
- ♥ In 2025, researchers in France and Canada showed for the first time that faulty mitochondria directly cause the memory loss seen in neurodegenerative diseases.
- ♥ Over the past 3 decades, child mortality has fallen dramatically worldwide – a 59% drop in the global under-5 mortality rate, from 93 deaths per 1,000 live births to 37. Neonatal deaths (within the first month of life) also fell from 5.2 million to 2.3 million in the same period.

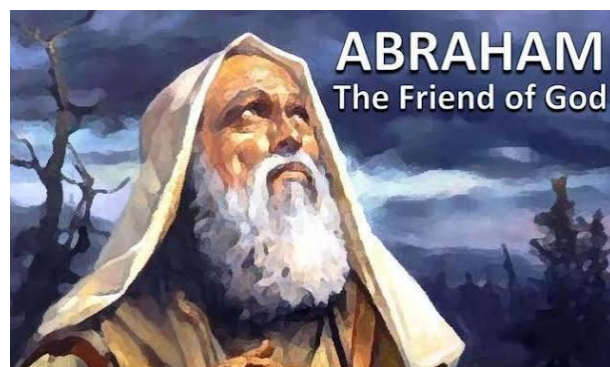

Prayer for the Day:

~ by Joyce Meyer

“My God and my Friend, thank You for inviting me into a close friendship with You. Help me and guide me into a deep, personal, and intimate relationship with You. Teach me what it means to be Your friend and help me grow in this friendship each day. Draw me closer to You, help me know You more deeply, and teach me to love You more fully, amen.”

James 2:23

And the scripture was fulfilled that says, “Abraham believed God, and it was credited to him as righteousness,” and he was called God’s friend.
