Hope House

Hope house is a non-profit organization reaching out to families who experience the loss of a child. We began with the idea of providing a 3-4 day respite stay in a quiet country setting where the family would be able to spend some time together in a safe place while they navigate the emotional ups and downs of their new normal. Since we began building several years ago, we realize we have felt the need to reach out to families not, while we await completion of the building. Our goal right now is to continue to serve hurting families as we spread awareness in the community and raise funds to complete the building. If you have any questions about Hope House of Central Illinois you can contact us at hopehouseofcentralillinois@yahoo.com or see Beth Markwell. Check them out on Facebook or at www.hopehouseofcentralillinois.org

Hope house is having a drive thru Dinner
