

Memorandum of Agreement for Third-Party Groups meeting at the United Church of Christ in New Brighton Property During a Time of Pandemic

INDOORS

The United Church of Christ in New Brighton expects that persons meeting on church property during the coronavirus pandemic will:

- *Provide signage and markers outside and within the church to ensure that all will maintain physical distance of at least 6 feet between individuals, except those from the same household.*
- *Maintain safe distances when entering the building, conducting activities in the building and leaving the building.*
- *Wear face coverings over nose and mouth.*
- *Refrain from using church kitchen.*
- *Refrain from all activities that create higher risk, such as singing, sharing paper, food or drink.*
- *Provide and use hand sanitizer before and after touching objects that may be touched by others.*
- *Provide materials and clean surfaces after use of the facility.*
- *Designate a person to guide and assist with mindfulness of and adherence to safety guidelines.*
- *Direct any questions about facility use to the designated UCCNB resource.*

I understand the expectations of the United Church of New Brighton safety measures and I agree to share these expectations with all participants. I acknowledge that meeting during this time of pandemic involves some level of risk, and that such risk will be borne by the entity convening the activities of this group.
