

A monthly calendar is sent out and posted with each edition of the newsletter. Please keep us posted of any changes to the normal meeting schedule for your group or committee.

This calendar includes all events scheduled for the space — “church-related” or not. Sometimes more than one group will be using the church at a given time. Please be clear when scheduling about which spaces/rooms/equipment your group will need for your event. Church committee and team leaders and staff are urged to contact the church office administrator during office hours (651-633-1327) to check dates and/or to update the calendar as far ahead as possible.

These groups will resume **once we can gather again.**

Some dates to be aware of:

Note: The dates below are to the best of our knowledge and subject to change; the list is not comprehensive. COVID-19 will play a large role in both whether and how we gather. Please check our monthly calendar, the Friday eLetter, and the weekly bulletin for more details. There are items we likely have missed. As each Committee, Team, or group makes plans, we will fill in the calendar as appropriate. There is always a lot going on, and we celebrate that we are able to be an active and involved Body of Christ.
