Here at ARISE, we are 100% committed to listening to God and following His leadership in your youth ministry activities. We also believe that students should play an important role in helping us plan, develop, and organize youth activities. Since we take this so seriously, we want you to take your commitment to youth leadership seriously as well. Please prayerfully answer these questions, and allow this application to be the start of the process as you think about and pray about what God has in store for the youth at Riverbend Community Church.

Please answer the following on a separate piece of paper:

1. Why do you want to be a Student Leader?
2. What gifts and skills has God given you that would help you be a good Student Leader?
3. What do you think will be the greatest challenge for you in being a Student Leader?
4. Describe your relationship with Jesus Christ. How do you keep your faith an active part of your life?
5. Why is it important for ARISE to stay relevant to the local high school culture?
 - a. What do you think is the biggest issue facing high schoolers today?
 - b. Are there any ways that you could see that our ministry could be improved?
 - c. What increased stake in Arise will you take?

Leadership Covenant: As I fill out this application, I am committing myself to the student leadership team at ARISE. I will do my absolute best to attend all leadership meetings, including the leadership retreat. I commit to pray for my ministry, to live a life that shows Christ in my actions and words, and to actively engage my faith through prayer, Bible, study, and fellowship.

Parent's Covenant: I am aware that my son or daughter is signing up for Student Leadership Team, and I intent to fully support their covenant to be present and active in your activities this year. I understand that they are committing to attend youth activities on a regular basis, and will help them build their schedules to make that happen. I also covenant to pray for my student, and for the youth group as a whole.
