

Every Good Gift is a job training ministry for young single mothers in the Philadelphia area. Many of our employees come from generational poverty and have experienced significant trauma. They need critical support in a variety of ways as they navigate motherhood.

In 2024 EGG added the *Work Life* program created by the Chalmers Center for Economic Development. *Work Life* is a job readiness program that equips people in marginalized communities to overcome barriers to meaningful work through a biblically integrated curriculum offered in a supportive learning community.

Work Life instills key job readiness skills, such as interviewing and resume writing, but more importantly provides a Biblical foundation for viewing oneself and work. The women are taught to identify the gifts God has given them, as well as how to steward those gifts.

We are looking for female helpers. The role is called an Ally. It is a commitment of 12 weeks on Tuesday mornings from 9:15 am to 12 PM, starting on March 4, 2025. It will take place at our Glenside location (Lighthouse Church on Easton Rd). Volunteers would participate in the course alongside the women and reach out by phone to help them complete homework. One training session will be provided.
