

It is time to commit again (or the first time) to the life of faith as a member of Temple Terrace United Methodist Church. As Methodists we faithfully engage in the following practices:

- **Prayer and Scripture meditation (prayers):** Commitment to daily prayer, Bible reflection, and the discipleship journey.
- **Corporate worship and small-group community (presence):** The number of Sundays you will be in corporate worship during the year, and where you plan to be involved in spiritual formation.
- **Financial generosity (gifts):** Your financial commitment to the ministry of the church with the community and world.
- **Spiritual gifts and gifts-based service (service):** Where you will serve in the body of Christ.
- **Invitational evangelism (witness):** How you will share your faith story with others.

We are called to trust God's leading and discover the fullness of hope found in Jesus. We believe in a theology of abundance where God provides enough to care for God's people and our neighbors. We are created to live purposeful and thankful lives.

We dare to earn all we can, save all we can and give all we can through God's blessing. We place our whole selves in to be perfected in love, trusting God with all that is to come.
