

Bible Explorer (“BX”) Groups

BX groups seek to create an environment where people can build relationships with one another and explore how to practically live out biblical teaching.

BX groups meet in various classrooms following the Sunday worship service from about 10:45 - noon. Each group varies to some degree, but typically, there is a time for mingling and hanging out before the announcements and teaching time begins. There are usually snacks and beverages provided.

How to Get Involved: Just find a group that you’re interested in (ask any greeter by the doors or grab a BX flyer in the foyer) and show up. We hope you’ll feel welcome and encouraged by your time with us. If it feels awkward at first (hopefully it won’t), stick with it and we believe it will pay off!
