A Different Year, A Different Party

IT'S SHOEBOX PACKING PARTY TIME! But as you have probably come to expect in this year of unexpected challenges, we can't do our packing party the same way we're used to.

BUT WE'VE GOT A PLAN! We believe that with your help, we can still fill enough shoeboxes to give hope and joy to 4000 or more needy kids around the world while maintaining careful guidelines to protect your health.

This year **our packing party will be spread out over two days, Friday November 13 and Saturday November 14th with six different two-hour shifts.** Attendance will be limited to 40 people per shift to maintain social distancing.

As usual, we'll provide all the supplies; just come join the fun!
