

Small Groups

Small groups are a key way for us to cultivate strong friendships in our pursuit of Christ and his purpose for our lives.

Right now (December of 2016), our small groups are being restructured. We are in the process of developing leaders and growing our existing groups. Groups typically meet weekly in members' homes to intentionally discuss Bible teaching, share each other's life experiences, and pray for one another.

How to Get Involved: The best way to get involved in small groups is to contact Tyler Walsh and express your interest: tyler@felida.org or 541-215-2194.
