

Dear Piney Grove Baptist Church family and friends,

In 1820, when our nation was just 44 years old, when Alabama was just welcomed into the Union and Texas was still a part of Mexico, in the year that Daniel Boone died, and on the waves of the second great awakening, a small band of believers gathered together “in the dark corners of Wake” in a little log cabin and called themselves Piney Grove Baptist Church.

That corner of Wake County became known as Fuquay Varina and now, nearly 200 years later, is said to be the 4th fastest growing city in North Carolina and Piney Grove is still here striving to faithfully and vibrantly answer the call. Our mission is to be Bridge Builders; making pathways to reach people where they are so they might know and grow in Christ.

On **Sunday afternoon, September 27th**, Piney Grove will be coming together for an outdoor celebration; giving God the glory for 200 years of ministry. It will be a festive time of worship and (appropriately safe) fellowship for Piney Grove’s family and friends – both old and new!

This celebration would not be the same without YOU! So, here’s your **BIG INVITE**. Please join us and make our joy complete. There will be an outdoor Cookout at 6:00pm followed by an outdoor Worship Celebration at 6:30pm. The church grounds will open at 5:30 pm for you to park and set up your lawn chairs. Bring your masks, bring your family, bring your friends, and bring a heart ready to celebrate! **Please RSVP online ([PINEYGROVEBC.ORG](http://PINEYGROVEBC.ORG))** with how many in your family will attend.

Thank you Lord for the great privilege Piney Grove has had to be Yours these past 200 years!

Sincerely,

Pastor Steve Gordon
