

## VOLUNTEERS,

It is only because of your generosity in donating your services that we are able to conduct an effective programs for Piney Grove Baptist Church.

We want to insure you that everything you do for this church is of immeasurable importance to the over-all development of what happens here. Your continued patience and understanding in remaining faithful to the church will be rewarded by encouraging others to be of service. Changes may not be noticeable today or tomorrow but over a period of time we can see the changes you have helped make. Those of you that have been with us a long time know how rewarding volunteering can be. Your loyalty has made it possible for us to see many changes and to keep things running as they should.

Time does not permit us to express our appreciation to each and every one of you as often as we should like, but we are aware of the fact that without you Piney Grove could not meet the challenges which it faces and we could not do the multiple programs that we have. Because we could not possibly pay staff people to do all the work to accomplish our mission, we need as many volunteers as possible. You have our everlasting gratitude as well as our daily prayers and thanks.

If you have never volunteered or have not recently volunteered rest assured there is a place for you to serve. In this brochure you will see a list of the ways to serve here at Piney Grove.
