Fifth Avenue Baptist Nursery and Preschool

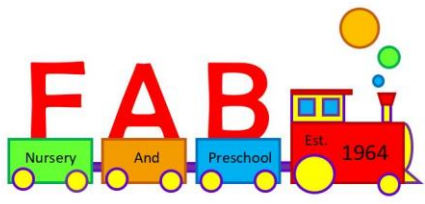

Preschool Lesson Plan

Classroom:

Week of: 7/2-6/18

Subject Area	Plans for Enriching the Area
Library/ Language	This week we will have the children choose a favorite book either from home or from the class library and read them during story time. This helps the children engage in reading and stay interested in books.
Music/ Movement	During center time the children have an opportunity to engage in music and dance. Gonoodle helps children use their body and express themselves through movement.
Fine Motor/ Art	During the week the children will have an opportunity to enhance their fine motor skills by using different art materials.
Writing	During center time the children are encouraged to draw and write whatever they choose.
Science/ Cooking	We will observe and describe changes in materials and cause-effect relationships during bubble play.
Dramatic Play	During center play the children will be able to express themselves using their imagination and creativity in assuming roles.
Social Emotional Development	This week we will continue to go over classroom and community safety rules. Also, learning how to work as a team.
Math	During field day the children will be able to count “how many?”, match, and correctly name shapes regardless of size.
Blocks/ Construction	The block area will be open-end which means the children can imagine and create whatever structure, city, building, ramp for cars, tunnels, etc.
Sand/ Water	This week the children will have the opportunity to play with water and sand during center play.
Technology	During center play the children are able to use the computer to answer questions they may have such as “Where can you find fossils?”
Gross Motor Play	During field day the children will develop motor and balance control for a range of physical activities such as hopping, running, climbing, etc.
Small Groups	During center time the teacher will observe and scaffold to enhance the children’s play when needed.
Large Group Time/Circle Time Topics	During large group we will go over safety rules and talk about all the different activities we will do this summer.
