

## The Discipleship Pathway

We want every person to Connect to God, Grow Together, Make Disciples, and Serve the World. You may wonder what that looks like for you in a practical sense, so we put our mission into action in what we call “The Discipleship Pathway.”

We want you to **Connect with God** in a weekly worship service. Whether its Sunday mornings, Wednesday nights with our university, youth and children, or special events throughout the year, we strive to provide powerful environments and experiences that allow you to come to Christ in worship. Attending one of our worship services is a great way to begin the steps on the Discipleship Pathway.

Every Sunday Morning we have two worship gatherings that is planned and lead by Colt Landreth, our Worship Pastor. They are designed in such a way to allow the worshipper to **Connect with God** through the inspirational music, dedicated prayer time, and the proclaimed Word by our Senior Pastor.

During our mid-week programming, we offer age graded worship gatherings for our children, youth, and university students. First Kids and First Students kick off at 6pm. First University gathers at 7:15pm. These gatherings are designed to communicate in age appropriate ways so our Next Generation will **Connect with God** through upbeat music, creative videos, relevant Bible Study, and engaging activities.

**Connecting with God** through weekly worship is the first step for disciples to begin their journey on the Discipleship Pathway. Our prayer is that you would make **Connecting with God** a priority for your journey of faith.

1. We want you to **Grow Together** in a weekly Bible Study Group as you navigate life with others, guided by God’s Word.
2. We want God’s Word to take root in you and spread to others as you **Make Disciples** in a yearly D-Group of 3-5 men or women.
3. We want you to join God’s work to **Serve the World** through missions, evangelism, and volunteering.
