

The Discipleship Pathway

We want every person to Connect to God, Grow Together, Make Disciples, and Serve the World. You may wonder what that looks like for you in a practical sense, so we put our mission into action in what we call “The Discipleship Pathway.”

Serving the world through missions, evangelism, and volunteering is the final step in the Discipleship Pathway. When you join God to serve the world you experience a different aspect of spiritual growth. You put your faith into action. We want to equip and send the church on missions. We have local opportunities to serve in our Care Center that provides hot lunches, grocery and clothes or in one of our local schools serving as a lunch buddy or a reading club leader. We have sent teams to Central America to dig water wells with Living Water and teams to Denver to assist with a church plant. We have countless opportunities to serve within the church at FBC Jonesboro by using your time and talents volunteering in the church. Examples: serve as greeters/ushers, work with the Next Generation, sing in the choir, and teach Bible studies.

If you are interested in finding more about mission projects or looking for places to serve in the church, you can contact our church office (932-3456) or email Tim Stewart (tstewart@fbcjonesboro.org).
