Electronic Funds Transfer (PLEASE READ)

Electronic Funds Transfer (EFT) is both a convenient and reliable way to fulfill your financial commitment to the church. EFT is also the most cost-efficient method of giving to the church, as it reduces administrative costs and helps maintain a predictable cash flow. We urge you to choose this method of giving, to assist us in planning. You can stop it at any time, and it will not continue to the next year without your written permission. To choose EFT, simply complete the information on the back of this card. **Please also attach a voided check.**
