

St. John's Ongoing Prayer Concerns

St. John's is a praying church.

This is a ministry which costs the church no money, but brings out personal commitments from caring members. Personal prayer and corporate prayer will increase the power of any church willing to reach deep into the heart and bring down God's amazing power to their church.

The goal of St. John's Prayer Ministry is for our people, that is our church, to experience God anew. God is always at work around us and longs for us to join in His work. One part of this divine work is prayer. Prayer can change people and circumstances. Additionally in prayer, we demonstrate God's love for all people, reflecting that amazing love as a result of this holy conversation.

If you have prayer requests or would like to be a part of this ministry, please send an email to prayerteam@stjohnsumc.cc

A Prayer For People Who Have Problems I May Not Know Anything About

Dear Lord, As I find myself praying for people I do not know, I want more information: faces, problems they're facing. Are they worrying over a sick child? Spouse, parent? Are they physically ill? Depressed? The good news is that You do not have this problem. You recognize one and all, whether their names are attached or not. You know exactly which burden each individual is struggling to bear. I pray for your protection and healing of these persons, in the name of your son, Jesus Christ. Amen

"Pray without ceasing, give thanks in all circumstances."
