

DRIVE-IN WORSHIP SERVICE

Welcome!

Welcome to Vineyard in the Parking Lot. This service is planned for 45 minutes of worship, teaching, and prayer. And the good thing is that it is designed so that you never have to get out of your car! We are doing church this way today to comply with the directives of our state and federal governments, and to do our part in stopping the spread of COVID-19. Thank you for your patience and cooperation. This too shall pass!

Now please turn on your radio to an FM band, and tune to 93.9. This will allow you to hear the service from your car and adjust the volume level just the way you like it. If you need assistance in getting your radio tuned in, please roll down your window and wave down one of our ushers or parking attendants. They will offer verbal direction from a safe distance to help you get tuned into today's service.
