

Online Giving Frequently Asked Questions

LIBERTY CORNER PRESBYTERIAN CHURCH

Is it safe to give online?

Yes. Online giving can be safer than writing a check as electronic gifts cannot be lost or stolen.

What type of bank accounts can I give from?

Checking or savings account, or credit card (charges to LCPC apply for credit card giving). You may also talk with your bank to set up online bill pay.

What is online bill pay?

Most banks allow you to schedule future and repeating payments. With online bill pay, you schedule future and repeating payments with your bank and the bank handles issuing the payments. If you are making repeating gifts to the church, with online bill pay the church would not pay any additional costs or transaction fees that typically are charged with the use of debit or credit cards.

Are there fees associated with giving online?

You will not pay a fee with an online contribution to Liberty Corner Presbyterian Church (LCPC); however, if you use a credit or debit card, LCPC will incur a fee related to the online giving.

Can I use a credit card to contribute online?

Yes. Please be aware that LCPC will incur transaction fees and pay a percentage fee based on the donation, so that 100% of your giving will not be to the mission and ministries of LCPC. Percentage fees range from 2-4%.

Do I have an option to make a one-time or recurring gift?

The system will allow the option of making a one-time contribution or setting-up recurring contributions. For recurring gifts, you have the option of giving weekly, monthly, quarterly, semi-annually or annually. When making a gift online, please be sure to select the appropriate description of your giving through "Choose Designation."

What if I want to cancel or change my electronic giving?

No problem. If you need to change or cancel a recurring payment, go to [online giving](#), to payment history and follow the link to cancel a recurring payment. If you want to make a change it is better to cancel your old payment, and then set up a new payment with new information, including designating where your donation will be applied.

Will my electronic gifts be included on my contribution statement?

Yes, they will be included. LCPC sends contribution statements at various intervals throughout the year. You may also access your contribution statements by logging on to myLCPC.

Can I designate my electronic gift to a special purpose?

Yes, you can designate your donation to any approved fund, such as, General Fund or Deacons Fund, Hearts For Honduras School, etc.

How will I know if my contribution was set-up correctly or received?

You will receive an email immediately after setting-up/making your contribution. When you receive this email, please be sure to confirm that the description of your gift is correct.
