

Dear Parents,

It is important to discuss and model what it means to be a good steward. At Liberty Corner Kids we want to reinforce that everything we have is a gift from God and it's our responsibility to care for and share God's blessings with others.

The following are some examples that parents/guardians can discuss and model:

- Having healthy relationships with our family and friends by caring, loving and respecting them.
- Protecting our environment and caring for the earth.
- Helping the less fortunate and sharing our time with people in need.
- Taking care of our health.
- Sharing the "good news" of the gospel.
- Giving an offering to church.

It is important for families to discuss being good stewards regularly. While every family needs to decide what works for them, we encourage parents/guardians to help teach their children life skills by giving them chores and responsibilities in the home and managing a budget based on a small allowance. Help them set portions of their money aside to 1) save; 2) spend on something of their choice and; 3) give to church.

Thank you for your partnership and for sharing your children with us. If you have any questions, please do not hesitate to contact me.

Blessings,
