

## | On-site Childcare Policies |

Welcome to Live Oak Community Church Childcare! We are so excited to get to spend this time with your kiddos! Here are just a few guidelines we go by to help you get started and hopefully answer some of your questions.

### Payment Policy:

- There is a \$50 fee per semester for each child per session or group they are registered.
- For those with more than 3 children, there will be a cap of \$150 per session or group registered.
- We DO accept check or credit cards (no cash, sorry) and we do have a payment plan. You may contact the Childcare Coordinator for details.
- Please register your children BEFORE the session begins or no later than 2 days prior to arriving the first day. This helps us ensure your child has plenty of room, childcare workers, and resources.

### Scholarships:

- If payment is an issue, there are scholarships available. Please fill out the Scholarship Application form on the website or APP under CHILDCARE.

### Weather Policy:

- In the event of bad weather on Sundays, a decision of cancellation will be made by 3PM that same day. Your Small Group Leader/Childcare Coordinator will be notified at that time of the final decision.
- In the event of bad weather on Wednesday morning sessions, the decision will be the same as LISD weather decision.

### Registering your child:

- There is a link on the Live Oak website under REGISTRATION or on the APP under CHILDCARE.

Thank you so much for letting us care for your children! We value your input, so if you have any questions or concerns, please don't hesitate to let us know!
