*Matthew 6:25-34*

**S** *“But seek first his kingdom and his righteousness, and all these things will be given to you as well.” Matthew 6:33*

**O** *The world (& me) run after what shall I eat, wear, have money for,... the first care is not for God’s kingdom and plan for our life. These things we tend to put “first” before God. Jesus calls us to put our relationship and trust in Him first. Learning to trust lessens our worry.*

**A** *I want to put God first in my life so that I can know His provision and presence in all areas... relationally, financially, vocationally.*

**P** *God, I confess that I don’t always put you first and I get caught up in the rat race. I pray that the concentration of my life will be on knowing you more and more. I need help with this because I want to be the boss. Thanks for your grace!*

**S** *I will share this with my small group for encouragement and accountability.*
