TIKVAT YISRAEL'S INTERCESSORS FOR ISRAEL (www.ifi.org.il)

WEEKLY PRAYER POINTS

Visit IFI's website for the complete list of this week's prayer points for Israel.

For more information, please see Sipora.

Please pray for the coronavirus outbreak in Israel. Thankfully PM Netanyahu and the health officials have laid down some very strict guidelines but prayer is needed. Pray that panic does not descend on the nation and that the Lord uses this situation to drive His people back to Him and His Word. Pray that the believers are bold and forthright in speaking forth hope through accepting Yeshua into their hearts. Pray also that G-d watches over PM Netanyahu as his indictment trial begins this coming week and let truth rule in these proceedings.

Israel is in need of an emergency unity government to deal with the coronavirus pandemic. However, the Blue & White leader Gantz wants the anti-Zionist pro-terrorist Arab joint list to be part of emergency government. Thankfully, PM Netanyahu and Likud refuse. Please pray that the B&W party sink suddenly as more of its members jump ship and that Israel's strong Zionist government will look to G-d at this time.

OFFERINGS: If you miss the offering, you can place your donation in the Tzedakah (charitable giving) box just inside the sanctuary doors.

All our announcements, and Tikvat Yisrael's Intercessors for Israel weekly prayer points, are posted on the bulletin board next to Tikvat's office.
