From the Elders of Tikvat Yisrael:

Attention: All Members & Friends of Tikvat Yisrael,

Due to the recent increase in cases of Covid-19, we believe the best way to protect our Tikvat family and visitors that choose to attend is to now require all members to wear a mask.

There are still many members with current health issues--and we understand and support you and your decision to remain at home at this time. Again your health is our main concern.

While the mask is an inconvenience, we are thankful we can continue to meet. Social distancing of 6-feet does not completely protect us in closed area for 90-120 minutes where the germs linger in the air.

With that said, we believe following this key recommendation of several health organizations and some common senses-with help to insure the safety of everyone who attends. We continue to pray for the Lord's mercy on Tikvat, Cleveland, our nation and the world-and we look forward to moving to a less restrictive time.

Am I my brother's keeper? Gen. 4:9

Thank you for all your prayers and support.

Sincerely,

Board of Elders: Dr. Larry & Cheryl Morrison, Rabbi Elliott & Nancy Katz, Joyce Iammarino,
Rabbi Eric & Gisela Lakatos
