

## **Midwest Mission Distribution Center Collection Continues**

Grace UMC is a collection point for items for the Midwest Mission Distribution Center's pre-annual conference drive, and donations are arriving. Please continue to bring items from the "Top Needs" list for Personal Dignity, Home-Care, Layette and Student kits, as well as cloth face masks and flannel fabric.

Bring your donations, please, to Room 12 and place them in the appropriate boxes.

Many of the requested items are available from Dollar Tree and the dollar section of Dollar General. Walmart has some great deals on flannel fabric.

If you are not a shopper, contact Barb Dunlap-Berg, 615-945-6410 (Tennessee area code), who will be happy to shop for you.

The collection will conclude on June 10, just before the Illinois Great Rivers Annual Conference virtual session (June 11-12). That gives you almost three weeks to help make a difference for neighbors, near and far, who have suffered loss.

Thank you!
