

WHY?

WELCOME TO YOUR SUMMER PASSPORT ADVENTURE!

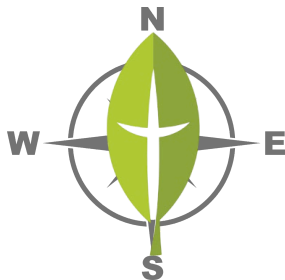

Get ready for a summer full of fun, faith, and friends!

Your Summer Passport is your guide to growing closer to God by helping others and learning through worship, study, and service together.

Each activity is a chance to have fun, try something new, and make great memories with your faith family and friends.

As you go, you'll "self-stamp" your passport to celebrate your journey! You can do this with stickers or by coloring it in! Do what you can, jump in, and enjoy being part of what God is doing this summer.

Grab your passport, bring your family, and let's make it an awesome summer!

SERVICE
