

Support Your **NE**ighbor COVID-19

What: Our nonprofit organization provides completely free assistance to help you obtain groceries, medicine, and other essentials so you do not have to leave your home. We help you order essentials, pick up the items for you, and offer companionship and other support during the COVID-19 outbreak.

Who: We are medical students from UNMC and friends/family of those students.

How to get involved: Please visit our site at www.supportyourneighborcovid19.org to see if you could benefit from our service or call us at **402-522-6394** to learn more information.

How you can help: We would like to eventually expand this aid throughout all of Omaha; we need your participation and feedback. Thank you!
