## Sermon Sense

Have you ever washed someone else's feet? I'm guessing you haven't! Last week we saw Jesus do this for his disciples in the upper room after the Passover feast. Only the lowliest servants would do this for others! Yet this is what Jesus did for them. Soon he would do even more, when he would take all the filth of their sin on the cross. Today let's listen in as Jesus steps back after washing their feet and says something that should change our whole world: He tells us to follow his example, and wash each other's feet! What does he mean? Let's think about it:

1. The master's \_\_\_\_\_
2. The master's \_\_\_\_\_
3. The master's \_\_\_\_\_
