LIBRARY NEWS:

- For Kids in Sunday School (and their parents). You can find some library materials to check out on the desk as you enter the Children's Sunday School area. The Creation is the topic this week.
- We have two new children's books in the library to recommend. The first is "Bible Gems to Remember: Illustrated Bible". There are 52 short stories with an easy memory verse of five words or less and great illustrations. The second is by Louie Giglio called "How Great is Our God: 100 Indescribable Devotions About God and Science".
- We added another DVD in the children's Heroes of Faith series: The Corrie ten Boom Story. Corrie and her family hid Jews in their home in the Netherlands during the Nazi occupation of WWII. Corrie and her sister ended up in a concentration camp where they even thanked God for the fleas!
