MARCH SHARING TREE

United Methodist Committee on Relief

This Sharing Tree is supporting programs that fight hunger and poverty, assist the displaced, and respond to disasters. This is an Advance Project dedicated to an area which is determined to meet critical needs. **100% of our collections will go to this Advance.**

UMCOR also has administrative needs that must be funded as well. In the past our church had a Sharing Tree for UMCOR and a special Sunday offering to fund the admin part. We will have a special **UMCOR Sunday** to help meet those needs.

UMCOR provides humanitarian relief and disaster response in the United States and internationally. They target places where natural disasters, war, or conflict have done so much damage that communities are unable to recover on their own. In addition, UMCOR helps communities in the United States and abroad prepare for emergencies and to reduce the risk of disasters through a roster of training programs. They are also involved in global development work. Specific programs address issues of health, sanitation, poverty, sustainable agriculture, nutrition, and food security.

We hope you will continue to support this Sharing Tree as you have done for so many years. **You may write your check to FUMC and on the memo line write UMCOR**, or you can make a donation through our website: **lompocumc.org** and click on the Donation link.
