**Our Church Family**

**Doug Faber** will have had open-heart bypass surgery this past Friday morning. We pray that all has gone well that that he is quickly able to be free from pain and receive relief from the congestion he was experiencing.

**Winnifred De Jong** has recovered from pneumonia enough to have returned to her new apartment in Sioux Center.

**Don Mulder** received news that the symptoms he had experienced were not related to damage to the heart, but likely a result of too much heat. He still has follow up consults with the cardiologist, but we praise God that the heart is in good shape.

***Congratulations  
to all of our  
Graduates***

**Cadet Sunday:**  
Our annual Cadet Sunday worship service that was rescheduled due to weather in April will be held during the PM service today.
