

Dear Friend(s),

We are greeting you from the hungarian summer heat, from planning our Summer Camps and meetings, with prayerful hearts.

¹³Brothers and sisters, I do not consider myself yet to have taken hold of it. But one thing I do: Forgetting what is behind and straining toward what is ahead, ¹⁴I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus. Phil.3:13-14

Please listen to this song and verse in the beginning: [Press on](#)

This is in our hearts. Sometimes we feel lost and discouraged, because we would like to see more people to be changed, faster, but we have to realize and give it up again and unto His mighty hands, where everything IS already anyway. We believe that His timing in the best for everyone.

We are thankful:

- For Easter Monday in Zsámbok - it was windy, but blessed and fellowshipbuilder;
- Connections are building with the youth, through Alpha Course also as we wrote lastly;
- The Training! There were a smaller group, but it was great. We'll continue with an area, a group of serving team, who were there and also Feri's family could be there, which was needed; Here are a summary and pictures: [About the Training](#)
- Permissions are also on their slowly, but surely way for our home to be built;
- Jonatán is half year old, healthy and growing nicely. Simeon is turning 3 year old next month (June 17th). We are very, very grateful for them :)
