Current Chief and Council (left)

For almost 30 years a key component to our ministry here has involved youth ministries, but in the past few years things have shifted a bit. Yes, we still are working with Kinistin youth, it's just that many of them are now in their 30s, 40s, and many are even grandparents. In fact, the current chief and four of the six council members, who run the reserve, were part of our youth group.

It's great to have all that history behind relationships. We have watched them grow up. We have laughed with, grieved with, married, and have also seen too many of them buried. We've seen many come to Christ and unfortunately

others who have fallen away. Yet the history remains.

I'm only 54 and Darcey, 52, but we are entering elder status here on the reserve, because, tragically, many people here will never see their 60s or 70s. Having the history and trust, we have even more opportunities to speak into the lives of people.

Pray with us that God will draw people to Himself, that we would have the wisdom to know who to prioritize our time with, and the boldness to speak God's truth with love.

We want to thank you all for giving us this opportunity. If it wasn't for your prayers and support, this history would not have been possible.

Prayer Requests

Pray as Darcey and I, along with fellow NAIM missionary Brian Fink, lead the annual Mexico missions trip, February 14-27, with a team of 20 (including some former youth). Pray for safety in travel, and that God would work in hearts, for salvation and spiritual growth.

Mexico 2002

Please pray also for the teens who will be attending a youth retreat on February 22-25, that hearts would be open to what the Holy Spirit wants to teach them. Praise (and pray!) for the excellent team from Nipawin Bible College helping chaperone in our absence!
