NATIONAL PREACHER QUARTERLY REPORT

SECTION 1: PERSONAL INFORMATION and FAMILY INFORMATION

Dear Sponsor,

We thank God always for keeping you together with your family in good health. My family and I are well too and God's grace is abounding.

God's provision and your financial support is always highly appreciated, particularly when the picture comes into view of tasks, challenges and big responsibilities are being accomplished. Remember I have five children, the first she's 23yrs old (Miriam) she completed her diploma course in "Gender and Youth Development". My second born son is now about to go for third year at Malawi College of Accountance and my three young daughters are about to complete High School this year. With this picture in view your financial help or support is greatly and highly appreciated.

School fees and tuition in Malawi is very expensive. Life is getting more tougher and harder

but life is to us looks abit lighter and abit easy because you are able to stand with us though be help you send to us quarterly. We are being able to survive in such hostile situations or conditions.

I also thank God because in this last quarter I was able to buy few bags of cement ~~and~~ For the house I'am building. So the project of building a house is moving slowly but sure. I'am decided to move out of a rented house ~~and~~ to ~~have~~ ^{into} our own. All this is being achieved because we have you supporting us Pastor Robert. Though the money is not enough but I always make sure I use the little I have wisely and do with it something sensible to always remember or remind myself of your support.

We thank God and ^{you must} know that we always pray for you, family and your ministry.

Yours Isaac.

SECTION 2: MINISTRY AND TRAINING INFORMATION
 (Write about ministry and training events or activities which occurred during the previous 3 months.)

This last quarter we thank God because He gave a privilege of holding a get together in our church. At this get together meet we normally eat together to celebrate our union in Christ. It brings us together and we share alot of things to each other. I also had time to teach God's word. I taught people on working hard and not to be lazy so that they can improve their livelihood and develop themselves, and so that they can support God's work.

We also had a Couples workshop. We trained couples within our church. Those attended appreciated God's grace because families which were broken were restored and healed, we praise God for his grace and love.

We also had a Singles Meeting. They were so encouraged because they realized that the church thinks about them. They said in society particularly here in Malawi, single people in church are not really thought of, so they were so encouraged and motivated.

SECTION 3: OUTREACH INFORMATION

(Write about outreach events, activities, or conversions which occurred during the previous 3 months. Tell the story of a new church started or of some of the people led to Christ.)

We had one Mass evangelism in this last quarter. By God's grace we had 3 people - who genuinely gave their lives to Christ. There were many who confessed Christ at this meeting but only three proved to be genuine because right now we have put them in a new believers class and they are faithfully ~~attending~~ attending. However, we know that others who did not show up for new believers class, the seed of God's word will supernaturally continue to grow in them, we believe God's word is powerful.
