NATIONAL PREACHER QUARTERLY REPORT

SECTION 1: PERSONAL INFORMATION and FAMILY INFORMATION

Dear Sponsor,

Sometimes when we think about the unconditional love of God we fail to express ourselves the way we can thank the loving God. However with our deep hearts we would like to thank the almighty God for the good work done to us through you and the entire team which is taking part in contributing the funds for our ministry. Greetings to you and the whole family.

As a family we are all fine. God had provided us with good health so that we serve him. As a family we have also been to participate in some activities like wedding ceremonies, sports, and other cultural events which are regarded as part of entertainment to us. My wife is also committed to her school of tailoring to get more experienced and skilled. As of now she is able even to share her skills with other women. Immanuel is learning some computer basic lessons.

As a family we are also enjoying our daily bible studies after supper whereby every one of us have a day to lead

SECTION 2: MINISTRY AND TRAINING INFORMATION
(Write about ministry and training events or activities which occurred during the previous 3 months.)

It was another time to experiencing the fellowship and greatness of God during this last period. As you remember that this last quarterly was a period in which we remember about the suffering, burial and resurrection of our Lord Jesus.

During this last quarterly we organized a ministerial gathering from 14-16 April. We invited another ministers to assist us in the activities of this revival meeting. During this revival meeting we conducted the following ministerial programs, revival preachings, teachings for edification, baptism of 23 members. This revival meeting took place at newly established Church at Kabongoto Village. The purpose behind was to encourage newly enlisted members of the Church in this Village.

This time our training focus was to train people and leaders on Church leadership roles. The root cause of this training was the election of Church leadership which took place on 23 April 2017. From this time we have a new leadership Committee we thought it wise that we can conduct this training especially because of many Committee who are completely new in this Committee.

In this training we could try to teach the role of each position thus including the lay leader, Secretary and treasure, Deacons, Church and Society Committee, evangelism and discipleship Committee, worship and nurturing Committee, pastoral welfare Committee and others.

SECTION 3: OUTREACH INFORMATION

(Write about outreach events, activities, or conversions which occurred during the previous 3 months.
Tell the story of a new church started or of some of the people led to Christ.)

During the easter program we also Organized a Special time for outreach program. This was on Saturday 15th April Time scheduled was from 8:00 AM to 12:00 PM

We planned to evangelize six villages which surround the place where the revival meeting was taking place. To accomplish this plan we divided ourselves into three groups and agreed that each group should evangelize two villages. Our target was to win many souls to the Lord and find some new members who can join this new established local church at Kalongenta.

After each group had come from their direction of evangelism we had to come together to present the reports of what we have experienced in the field. After listening to all the three reports we found that we had 12 people who had received Christ whom two of them joined us right there to the place of revival and participated in church activities.

The next day (Sunday) we received 4 members from the evangelized villages to join the church with great joy. We think this is great and do thank God for it. The church is still trying to assist the members with good spiritual instructions for the maturity of these newly joined members.
