SECTION 1: PERSONAL INFORMATION and FAMILY INFORMATION

Dear Sponsor,

Greetings to you our dear in the name of our Lord Jesus Christ. Thank you so much for your prayers and financial support. In this quarter we had good time with the church through the pastors welfare Committee came at home with some gifts such as rice, maize flour and some groceries. However the sickness of my wife which I expressed in my previous report have been continuing on and off. She has been visiting the medical doctors and receiving help for her illness of stomachache from when the sickness began. All my children are well and doing well in their education. They are also taking a very important role in the family bible studies, intercessors and other spiritual and social activities at home. We thank God for his grace upon our ministry.

Section 2: MINISTRY AND TRAINING INFORMATION

(write about ministry and training Events or activities which occurred during the previous 3 months)

Thank you so much for your prayer and support. May the good Lord continue to richly bless you. On Training programme we have also done something great with the help of our Lord Jesus. I had the training in the month of March I managed to conduct the Sunday school teachers training whereby five Sunday school teachers from 3 local churches were trained. These teachers were trained on topics such as how to relate with children, how can children memorize Bible verses, how to use some Sunday school materials and others. Another training program was held the same month, in Nauchi local church. The lay leaders invited for this training were the finance committees which seem to have a lot to be taught concerning their roles. Among others these people were trained on how to write and keep records, how to do bank transactions, when and how to receipt, how to start and take care for projects for their continuity.

In this quarter we had the mid-week services and visiting new areas with the goodness. I thank God that through door to door evangelism has been very effective. I went to the area of Nayuchi where I spent two days door to door evangelism. The area has more Muslim faith people but through the grace of God the door was very open for the gospel to be presented. Eight people got saved during the visit. I thank God that I was able to present the living Jesus. They have invited me to visit them again they requested me to revisit them with Jesus film there in the villages. If they hear about Jesus film they turn in a large number to watch. I thank God that I was able to do the evangelism in Nayuchi.
