SPONSORSHIP REPORT

SECTION 1: PERSONAL INFORMATION and FAMILY INFORMATION

Dear Sponsor,

Once again, with the warm hearts we are greeting you as a family in the name of our Lord Jesus. Hopefully you and the entire family and church are well. We are also well and very thankful for your spiritual and financial support you are rendering unto us.

Throughout this period we have enjoyed our day to day Bible study program which includes praise & worship songs, Hymns, mother language hymns, short expositions intercessory prayers etc. Each program takes full week led by one of the family members. The program has also been fueled by some closest neighbours who are also attending these programs.

In our family we have received a new girl dependant who has come for educational, spiritual and moral need. Her name is Clara, the daughter to my wife's brother.

Another issue to share is that our son Emmanuel attended the university's interviews and succeeded and selected. He was supposed to report on January 07, 2019. But he has failed to register due to lack of finances which amounts to 1100 us dollars per semester. As parents we are very sorry and concerned for this since he was so willing to continue his studies with the University of Malawi.

May the good Lord continue bless you.

Section 2: MINISTRY AND TRAINING INFORMATION

(Write about ministry and training Events of activities which occurred during the previous 3 months)

It was another quarterly in which we have experienced the grace of God in the field of ministry. We managed to organise and realized the two days revival meetings at two of our local churches. The first one took place on 29-30 September 2019 at Mlambe local church while another one on 13-14/10/2019 at Liwonde local church.

At both local churches the word of encouragement was preached. In a special way the youth and Sunday school ministries which seemed to be dying down were greatly encouraged through the word of God.

In both local churches the Holy communion service was conducted with the message of emphasizing love, unity and teamwork spirit among ^{all} believers knowing that we are foretasting the communion of the saints which will be realized.

By the grace of God we had also a good time in this previous quarterly for training. The quarterly before the previous one we identified and picked out some individuals who seem to be well gifted in preaching but lack some knowledge. Having pointed them, we thought it would be wise to train them in hermeneutics and preaching. We therefore organized their training to take place at two places where these individuals can come together. So we conducted the first training at Nauchi where 4 people gathered on 8-9 November 2018 while at Liwonde the same training took place on 15-18 November 2018 with 5 people.

The purpose behind is to equip and make them become matured in the areas of ministry and outreach programs.

Section 3: OUT REACH INFORMATION

write about outreach events, activities, or conversions which occurred during the previous 3 months
(Tell the story of a new church started or of some of the people led to Christ)

To begin with, let me start with a testimony. On 1st October 2017 when we were establishing Liwonde Local church there were 7 people who volunteered to start this Church. Among them there was a certain unconverted man by the name 'Wonderful Mbewe'. After attending this opening service, he never came back to attend any worship service or any church activity. As a pastor I have visited him time and again, praying and fasting for his conversion but not avail. Then I stopped my effort for him after a year and some months thinking that am forcing God to do what is not on his heart. But a month after I stopped all my efforts, wonder came to church with a testimony of being convicted by the Holy Spirit. He repented his sins and received Jesus as his Lord and savior and became a member in the church.

Another wonderful outreach ministry is about a door to door way of evangelism. We managed to visit almost eleven families in this previous quarterly. Out of these families we have wonned 5 families. Through these families we have wonned 2 men, 5 women 3 youths and 6 children making a number of 16 members wonned both to Christ and his church.

Our midweek service program is becoming a dynamic evangelistic instrument. Through this program some people are inviting us to visit them in their homes. This is because this program is done every Wednesday at church members' homes randomly. As a result we are exposed to many people. Through this program we have also wonned 3 people to Christ and to the church.

We thank God for this wonderful ministry taking place in the Muslim dominated territory.
