How will we do Church Health Advising?

We offer to come to your church and do topical sessions for everyone in your congregation. The topics can be tailored to your congregational needs.

What are our goals in Church Health Advising?

Bring WORDS of hope to our fellow congregations.
Encourage WORKS that advertises an active faith.
Supply WISDOM to help in making future healthy choices
Give WORSHIP tips that could draw the church, and visitors, closer to God's presence.

TOGETHER WE REACH OUT FURTHER!
